

Internet Usage plays a valuable role in the classroom. Students and Parents should read the statements below and sign off as understanding of the school's expectations for safe and appropriate usage.

Student Internet Use Agreement

- I agree that at school I will use the Internet only for educational purposes such as email, projects or research.
- I agree that I will not deliberately look for offensive, dangerous or illegal sites or use the Internet to disrupt or offend others. I will not download games or reveal anyone's personal details.
- If I accidentally come across a site that I know is wrong, I agree that I will exit the site immediately and quietly tell a teacher.
- I understand that if the school decides I have broken this agreement, I will lose my Internet access for some time.

Parent/Guardian Internet Use Agreement

- I understand that the Internet can provide students with valuable learning experiences.
- I also understand that it gives access to information on computers around the world, that the school cannot control what is on those computers, and that a very small part of the information can be illegal, dangerous or offensive.
- I accept that, while teachers will always exercise their duty of care, protection against exposure to harmful information should depend finally upon responsible use by students.
- I believe _____ (name of student) understands this responsibility and I hereby give permission for him/her to access the Internet under the school rules. I understand that students breaking these rules will be subject to appropriate action by the school. This may include loss of Internet access for some time.
