

SUNNYBANK STATE PRIMARY SCHOOL - PAST STUDENTS INFORMATION

This is a rough guide only. Please feel free to add or delete sections or totally reformat.

My name is Del Zimmermann

When I was at school my name was Delma Zimmermann

I started at Sunnybank State School in 1963 in Grade 1

I left Sunnybank State School in 1969 in Grade 7

THEN

NOW

Three of my most favourite memories of Sunnybank Primary School are:

Creative writing, Library and friends

Games that I liked playing at school included.

Volleyball and tunnel ball

My cultural background is Australian Anglo-saxon.

When I was at Sunnybank I remember students with the following cultural backgrounds:

Aboriginal, French and American

I travelled to and from school by walking 1 mile

For my lunch I usually had sandwich and fruit

When I was at school good behaviour was rewarded by

A stamp (animal) on my hand, or a coloured star on my work.

If you did the wrong thing you were punished by

“The cuts”-you held your hand out and got a rap with a ruler. Once I was asked to hold my hand out and expected “The cuts” but was getting an animal stamp for good work!

I went on to secondary education at Sunnybank State High School

After leaving school I

Worked for two years as a library assistant, then in SW Queensland Channel Country as a governess, housemaid and cook. Then I went to Uni and did Arts/Law. Worked part time as a taxi driver. Admitted as a solicitor in 1982, have been a lawyer now for 27 years.

The main things in my life now are

Full time employment as solicitor in charge at Midland Regional Office Legal Aid WA.
Husband, cat, volunteer, keep fit and visiting family and friends in Brisbane.
