

# YEAR 5 & 6 CAMP

Our school offers a camp experience to students in each year of the last two years in primary school. We alternate between a bush and beach environment for our three day, two night camps.

One year we go to Bornhoffen PCYC in Numinbah Valley where the popular activities include abseiling, creeking (walking/wading down a mountain stream) and an overnight camp-out on top of a high ridge.

The other year we use Currimundi Active Recreation Centre on the North Coast where students enjoy the beach games, fishing, canoeing and high ropes.
